### REFLECTION QUESTIONS

Why is it important to work hard? Do you think that people who work hard are happier in life? Why or why not?

There are several people that we know Isaiah relies on. Choose one and describe how you think this person helps Isaiah to be successful.

In the video we see that Isaiah is planning to college, he hopes on a scholarship. There are many types of post-secondary opportunities. What are some ideas you have about your future after high school? Why are these things important to you?

Talk with your parents or another trusted adult about your future. What are some things you could be doing right now to help you reach your future dreams? Why is it important for teens to keep thinking about their future goals?
