Teacher Reflection Questions: Middle School

Moyagabi Drame: Importance of School

SEL Competency: Responsible Decision Making

Do you have any students who have a similar story to Moyagabi? What have you found that works with students like him?

From the video we can see that Moyagabi has had difficulty in school, but now seems better. What could you attribute this change to? Besides being more mature, how do you think he has learned a greater understanding to the importance of school?

What are the supports that your school or school system provides for students like Moyagabi? How effective are these supports? What additional supports or interventions could be offered if needed?
