## Darion

- Darion discussed a scholarship in the video, what is a scholarship? Why is a scholarship a good thing?
- Darion seems to have a positive outlook about the future. Although he does not say much about why this is, what do you think has happened to help him think this way?
- Who are the other people mentioned or seen in the video? How do they impact Darion?
- Darion talks about making his community better. What have you done to help your community?
- What are some things you can do to make your community a better place?

## Darion

- Darion exudes a positive attitude, so you would expect that he would be a joy to teach. What attributes can you see in the film that make you think he is a good student?
- Of the attributes you listed, how can these be developed in other students? Especially those students who require more attention and/or support?
- Are your students optimistic? If not, what can be done in your classroom and/or school to help them become more optimistic?
- What teaching skills are necessary to work with more self-motivated students like Darion?
